## Atlas Books to Distribute "My Doggie Says..."

Marion Venture Publishing announces that, effective September 15, 2007, Atlas Books will be the Master Distributor for *My Doggie Says...Messages from Jamie: How a dog named Jamie "talks" to her people.*

*My Doggie Says...* is a collection of eighty-five playful and colorful photographs – and over one hundred entertaining stories – that capture the body-language-communication of Jamie, a Golden Retriever, in everyday situations. Readers smile and chuckle as they learn how to "listen to their dog," nurture its personality and become more bonded to their pet.

AtlasBooks Distribution—a division of BookMasters—provides distribution for publishers to the book trade. AtlasBooks markets and sells to wholesalers, chains, independents, and online retailers. It utilizes in-house sales staff and commissioned representatives in the field, combined with focused trade marketing to promote titles and generate trade sales. AtlasBooks Distribution is complemented by BookMasters' direct to consumer fulfillment services—providing a complete go-to-market solution.
